

Dear Neighbors, Friends, Malverne Residents and Malverne Business Owners,

The Malverne Civic Association is a social and civic minded organization, designed to bring together all aspects of The Village of Malverne. We work to enhance the quality of life in this Village by cooperating with and furthering the activities of other community groups and organizations.

The Malverne Civic Association has a history of reaching out to the community, encouraging members to highlight causes and issues of civic importance.

The Malverne Civic Association supports the merchants and businesses that call Malverne their home and promote the use of their services. As an organization we patronize these businesses whenever possible – we encourage the residents of the Village to do so as well.

We encourage you to join our organization and help us fulfill our mission. As an association we are proud to be associated with the following community events:

- Groundhog Day
- Wine Tasting Event
- Candidates Forum
- Labor Day Community Picnic
- E-Cycling Event
- Village Holiday Lighting
- Community Meet and Greets
- Village of Malverne Welcome Book

Your membership is welcome and continued sponsorship applauded. The membership fee is \$10.00 per household, per year.

On a personal note...

I have been with the Malverne Civic Association for three years. I was proud to join the organization as a volunteer, was thrilled to be elected Vice President and am humbled to now head the organization as President. I have watched the organization flourish over the past years and am proud to be part of a group that truly cares about the community and fosters cross relationships between all institutions within Malverne.

Volunteers are the backbone of this Association. Without their continued support and generosity of time, this undertaking would be an impossibility. There are no words to express the extent to which they are valued.

I look forward to meeting even more residents dedicated to the betterment of their community.

Best Regards,

Suzanne Kraemer-Parra
